

Pour & Lok®

Resealable Packaging
for Easy Opening and
Pour Spout Functionality.

- ▶ Press-to-close, foldable zipper is pre-applied to film in the side gusset of the package for an easy-to-use pour spout.
- ▶ Pre-applied roll stock gives you higher production, no reduction in processing speeds, less scrap, and less down time.
- ▶ Pour & Lok® resealable packaging is available for form-fill-seal applications and pre-made bags and pouches.
